Rent Documentation	• Purchase ○ FNMA Form 1007, if applicable. ○ Existing lease agreement(s), if applicable. ○ If the existing lease is being transferred to the borrower, the Seller must verify that it does not contain any provisions that could affect the first lien position of the subject property. • Refinance ○ FNMA Form 1007, if applicable. ○ Existing lease agreement(s), if applicable. ○ If subject property leased on a short-term basis is utilizing an on-line service such as Airbnb; gross monthly rents can be determined by using a 12-month look back period; and either 12-monthly statements, or an annual statement provided by the on-line service to document receipt of rental income.	
DSCR Calculation	• Leased property: DSCR is based upon the contracted monthly rent amount from the lease: ○ A property is considered "Leased" when there is an executed long term (Min. 12-months) lease agreement between the lessor and lessee. ○ Most recent two months of rent payment per lease agreement is required. • Unleased and vacant property: DSCR is based upon the estimate of the monthly rent of the subject. The final reconciliation of Market Rent must be based on a 12-month rent schedule. ○ A property is considered unleased and vacant when no long term executed lease is in place. The Borrower should provide the cause of vacancy (Letter of Explanation) for refinance transactions, such as recently completed renovation, tenant turnover, etc. • Vacancies ○ 1-4 Units – Vacant unit qualify at 75% of market rent (Maximum 1 vacancy).	

Eligible Tenant	• Neither the Borrower(s) nor the borrower's immediate family shall at any time occupy the properties. • Borrower affiliated tenants are defined as any borrower or guarantor, any affiliate of the borrower/guarantor, any holder of a direct or indirect interest in Borrower or such affiliate, any officer, director, executive employee, or manager of the borrowing entity, and any family member (including spouse, siblings, ancestors, and lineal descendants) of any person or entity described in the preceding. • Borrower(s) must attest that all tenants are non-borrower affiliated.
Lease and Occupancy Requirements	• All units must be residential units that are currently occupied and leased to tenants, except that up to 10% of the units for a loan may be comprised of units which are currently vacant, but in lease-ready condition. Notwithstanding the foregoing, for portfolios of less than 10 units, up to one (1) unit may be vacant in the normal course of lease turnover. • All properties must be either leased to an eligible tenant or in lease ready condition meaning the properties have been cleaned, no renovations or repairs to the properties are needed and the properties are immediately available to be leased to an eligible tenant. • Corporate lease agreements are acceptable with lease terms consistent with typical market standards and will be subject to standard market rent verification. • Lease Agreements that allow Single Room Occupancy (SRO), or boarder leases are not permitted. • Third-party sale-and-leaseback agreements and contracts for deed transactions will not be permitted. • Leases must be in U.S. dollars.
